

The drawing shows a 2x2 grid of the SCP-PI-A PCB layout. Key dimensions and features include:

- Overall Dimensions:**
  - Top: 132.8mm (total), 127.8mm (to center of top connector)
  - Bottom: 139.8mm (to center of bottom connector), 149.8mm (total)
  - Left: 127.8mm (to center of left connector), 132.8mm (total)
  - Right: 139.8mm (to center of right connector), 149.8mm (total)
- Internal Spacing:**
  - Horizontal spacing between connector centers: 3.4mm
  - Vertical spacing between connector centers: 3.4mm
  - Distance from top edge to top connector center: 5.0mm
  - Distance from bottom edge to bottom connector center: 5.0mm
  - Distance from left edge to left connector center: 5.0mm
  - Distance from right edge to right connector center: 5.0mm
- Component Labels:**
  - CH6, PWR
  - J4-P13B, J4-P13B+
  - J4-P14B
  - Force ON
  - ITLogic logo
- Mounting Holes:**
  - Four Ø2.0mm holes at the corners.
